Objectives:

1. To equip couples with biblical principles about developing a Christian marriage and family.
2. To prepare couples in assuming marital roles for the building up of each other and the family.
3. To meet couples' needs by addressing practical topics relevant to marriage preparation.

Content:

1. The course is an 18-hour workshop that encompasses discussion, activities and case studies.
2. A personality assessment will be conducted for all couples who take the TJTA instrument. Results will be analysed and counselling will be provided to explore the strength and growth areas of the couple's relationship.
